- Currently working as a QA from June 2019 to till date at eClerx Services Pvt. Ltd, Pune.

Educational Qualification:

B.Sc. from Swami Ramanand Tirth Marathwada University Nanded with first class distinction 74.07%.

Project Details:

1. **Project Name: *Fuse Marketing**

   Role: Automation Testing (QA) Functional Testing,UI Automation Testing.

   Domain Name: Media.

   Client Name:- Growth Expertz

   Tools and Technology Used: Selenium, Java, DataDriven Framework, Maven, TestNG, Apache POI, Extent Report, Log4j

Project Description:
Digital marketing utilizes internet and online based digital technologies and platforms to promote products and services. Google ads make it easy to show what is unique about products and services, so they can reach customers searching for what they offer. Media ecosystem helps to decide and manage related data. So, user can decide where he would like to show ads and will get them in front of the right people. Media ecosystem is useful to set and manage budget cap for campaigns.

So, the user never pays more than daily, weekly and monthly budget cap and adjust it anytime. Also, user able to make changes across campaigns with ease and control multiple accounts from a single Dashboard. Plus, application will recommend budget based on business performance along with estimated budget and campaigns in user friendly manner on media ecosystem.

Roles and Responsibilities:

☐ Responsible for gathering test execution data on daily basis and sending mail to Team

☐ Identified End to End Test Scenarios, Test Cases and Test Data.

☐ Writing effective and optimized Test Cases in ALM

☐ Responsible for getting clarification from Development Team regarding defects

☐ Identifying test cases for Regression Suite and updating the script accordingly.

☐ Performing Functional Testing, Regression Testing.

☐ Validation of Expected output vs Actual output in respective database tables Using SQL.

☐ Active participation in weekly/daily status calls with the client.
☐ Developing POM classes and Test Classes.

2. **Project Name: _Island PALM_**

Domain: **Construction Domain**.

Client: - Lend lease

Location: - Hawaii, USA
